

How Does This Program Work?

1 Register for the Program

Program registration can be completed online. The registration link for 2023 will be forthcoming when the program dates are announced. Nursing contact hours are provided to participants who complete the following program requirements:

- ✓ Completion of all seven modules
- ✓ Attendance and active participation during the workshops
- ✓ Completion of an online workshop evaluation

Prior to registering for the program, please review the following [criteria and conditions of participation](#).

For specific questions regarding the program, please email info@lunderdineen.org.

In support of improving patient care, MGH Institute of Health Professions is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team. No conflict of interest exists for anyone in a position to control the content of this activity.

Nursing CEs pending.

2 Online Modules

The online component of the program includes completing seven learning modules. Access to the modules for the 2023 program will be shared with all participants. Course participants have several weeks to complete the seven 30-45 minute online modules.

3 Virtual Workshop

Following completion of the modules, course participants will join the virtual workshop. Virtual workshops will be held over two days: **October 25 and October 26 from 8:00-12:30 pm.**

4 Final Steps to Complete the Program

The final steps in the program are completed after the virtual workshop.

- ✓ Complete the Workshop Evaluation.
- ✓ Print the Nursing Contact Hours Certificate.
- ✓ Share the “Preceptor Action Plan” developed during the workshop with your sponsor (for Nurse Preceptors).
